Ken Davidian I want to say welcome to all the new members to this group (everybody's new at this point!) and encourage you to contribute by writing on the "Wall" with ideas and suggestions of information, answers, or services we might be able to provide you. Thanks!

Ken Davidian Here's a link to the June 2009 version of the AIAA CSG Overview Document: <http://commercialspace.pbworks.com/f/2009.06.26+AIAA+CSG+Overview+Doc.pdf>. I have a feeling that we will be updating it soon.

Ken Davidian I'll probably begin migrating information from the AIAA CSG page on the Commercial Space Wiki to this page soon, but until it all gets here, here's the URL to the CSWiki: <http://commercialspace.pbworks.com/AIAA-Commercial-Space-Group>
